January 2013

Dear Community Members:

The Flemington-Raritan Parks & Recreation Committee is very pleased to announce the completion of an outdoor classroom located in the Morales Nature Preserve. This space is located about a quarter of a mile off of the main trail, just before you get to the walking bridge.

The purpose of this facility is to enhance outdoor activities of community organizations. Presently, there is no fee for its use. Please contact the Committee at the above email address for a facility use form. This reservation is necessary to avoid conflicts. **FIRES ARE NOT PERMITTED!**

If you are a religious organization this venue may be used for worship. There is a place where you may display removable symbols for your event. I trust you will enjoy this new addition to our park.

Sincerely,

Kim Heierling & Claudia Jursik
