Discover Morales Nature Preserve

What is a forest? What can I see in a forest? What can I learn in a forest? If your child is interested; we are planning a trip into the woods. Morales Nature Preserve is located on Capner Street across from Mine Brook Park. It is a ture treasure to have such an environment that we can share with students.

Topics will include:

Forest Window

Transition Zone

Deciduous Trees

Grapevine

Hairy Vines

Elbow Tree

Seed Dispersal

Lichen

Tree Wounds

Power Corridor

Coniferious Trees

Forest Recycling

Wilderness Survival

Prey-Preditor-Flood

When: Monday August 1st, 2016 (Rain or Shine)

Who: Grades 3 and 4 (Boys and Girls)

Where: Morales Nature Preserve

Facilitator: Mr. Sal Randazzese

Class Size: Maximum 10- Minimum 5

Fee: \$20.00

Time: 9:00 am - 10:45 am

We will contact you **only** if we don't reach the minimum number of registrations. Mr. Randazzese will meet the students at the Picnic Bench located at the trailhead of Morales Nature Preserve on Capner Street. Please return registration forms to the summer camp to the attention of the site director.

Please have your child bring a small water bottle.

----- The participant releases and discharges Flemington-Raritan Parks & Recreation and its employees, agents, and Committee persons from any and all liability, claims, or damages which may arise as a result of an injury to the participant while participating in Discovering Morales Nature Preserve.
