

ENDS **OCTOBER 31, 2017**

BIGGEST TREES OF RARITAN TOWNSHIP COMPETITION

Raritan Township is happy to announce the Township's Second Annual Big Tree Competition. This is a friendly competition to discover the biggest and most interesting trees in the Township. There will be a winner for each species of tree along with some other special categories. You can perform the measurements outlined in the rules yourself, or simply submit a photo of the tree with you standing next to it. The Environmental Commission volunteers can then visit the tree with you if it appears to be in the running for winning one of the competitions.

Deadline for entries extended to October 31, 2017

Raritan Township Environmental Commission
1 Municipal Drive, Flemington, NJ 08822
