**Cooking For Kids**

This program is designed to teach kids that learning how to cook can be a fun and useful experience. Our cooking program will focus on how to prepare breakfast dishes, lunches, quick-fix dinners, and desserts. Each child will be able to use kitchen appliances and a variety of utensils. Students will be taught how to read and understand cooking terminology (measuring, cutting, blending, and serving). Lunch will be prepared daily and each child will have the opportunity to eat and enjoy what they have cooked. (Cookbook and apron are included!)
